

CEGN 2011 National Conference

Building Bridges, Getting Results

May 9th – 11th, 2011 • Coast Coal Harbour Hotel • Vancouver, BC

This Spring, join grantmaking colleagues from across Canada and around the world for CEGN's 10th Anniversary National Conference, *Building Bridges, Getting Results*.

This year's Conference programme promises to inspire, provoke and engage. Network and learn with your peers. Deepen your understanding of the art and craft of environmental grantmaking. Rediscover your passion for the work. And together, we'll celebrate our past, present and future by building new bridges for positive environmental results.

The full CEGN Conference Program will be available in January 2011, but early-bird registration is now open. It's shaping up to be a very busy week in Vancouver. Delegates are encouraged to book rooms early at the Coast Coal Harbour Hotel, one of the City's newest, greenest hotels and just a few blocks from Stanley Park, downtown sites and mass transit options. A great rate of \$189/night is being held for CEGN for a limited time. And because you might want to stick around for extra fun, or for Community Foundations of Canada's Conference later in the week, the rate will be honoured for at least three days before and after the Conference.

To book your room now, call: 1-800-716-6199 or go to: <https://www.coastpromos.com/edi>

To register, go to: <http://www.cegn.org/annualconference>

Questions? Contact Pegi at pegi_dover@cegn.org or **416-961-1273**.

Look forward to seeing you in Vancouver!

CEGN is offering its member rate for conference registration to members of both Community Foundations of Canada (CFC) and Philanthropic Foundations of Canada (PFC). Both organizations are reciprocating by providing their Member rates to CEGN members for their conferences this year (the CFC conference is in Vancouver from May 12th - 14th and the PFC conference is in Toronto from October 2nd - 4th). If you are interested in taking advantage of these reciprocal rates, please contact us for details at 416-961-1273.
